Mission Statement.

Through Christ-centered education, we in partnership with the home are committed to challenging students to pursue a life of Godly character, service to others and developing personal and academic excellence.

Statement of Faith

The following six points summarize the doctrinal position of the School:

1. We believe in one God, creator of all things, eternally existing in three persons: the Father, the Son, and the Spirit.
2. We believe that Jesus Christ is the divinely begotten Son of God, and that He is fully God and fully man.
3. We believe that the Old and New Testaments, as originally received, are verbally inspired by God and are entirely free from error, that they unite to present a single message of His redemptive purposes, and that they are of final and supreme authority in all matters of life and faith.
4. We believe that man was created in the image of God, but that through sin he came under the condemnation of God and must be born again of the Spirit in order to be saved from wrath and restated in favour with his Creator.
5. We believe that Jesus Christ died for our sins and rose again according to the Scriptures, and that those who repent and trust in the merits of His atoning work are justified and born again by the operation of the Spirit and are assured of the resurrection of the body at the time of Christ's return.
6. We believe in the personal, bodily and glorious return of the Lord Jesus Christ; in the resurrection of the just and unjust; in the eternal blessedness of the redeemed and in the judgement and eternal punishment of the wicked.

Prior to acceptance, each family will meet with the Principal and a Board member to discuss mutual expectation regarding academic standards, financial responsibility, code of behaviour, parental involvement, etc.
